Pansies are among our specialties and the strains we are offering are the best that time and money can produce. The seed is grown for us by experts in Europe and America and the quality cannot be surpassed for size, beautiful markings, and brilliancy of colors.

The following list comprises the best of the new European creations and the popular American varieties. We feel sure that these will please the most discriminating gardener.

NEW GIANT PANSY, MICHELL'S "SPRINGTIME." We are pleased to offer this splendid new early-flowering Giant Pansy whose blooms measure 3½ to 4 inches across. The plants are of very dwarf habit, in a superior mixture of light colors so popular in the spring garden. An excellent type for early sales in boxes or baskets. Trade pkt. 50c.; \$1.00 per ½oz.; ¼oz. \$1.75; \$6.50 per oz.

NEW BABY PANSY, MRS. A. H. SCOTT. Dainty Baby Pansy which does not grow more than 3 inches high. Flowers are similar in color to Lord Beaconsfield. Very free flowering and a fine suggestion for the rock-garden. Trade pkt. 50c.; \$1.00 per ½oz.

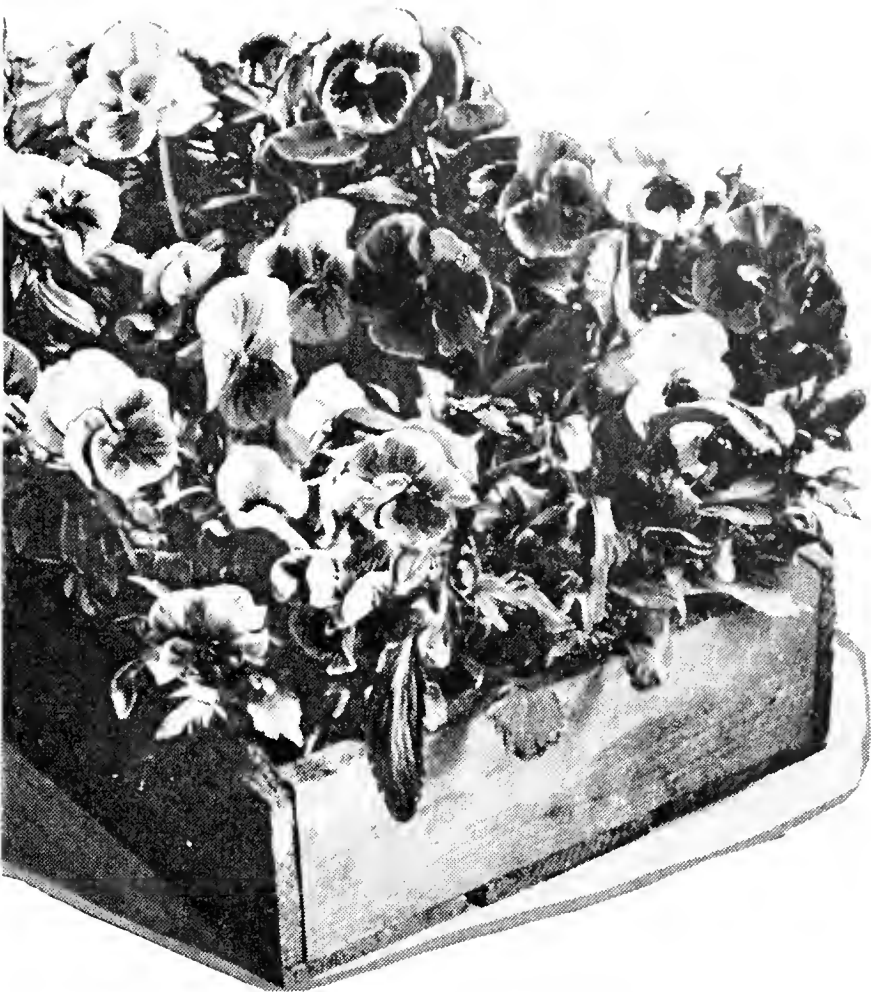

MAPLE-LEAF GIANTS. A new variety producing giant flowers measuring 4 to 6 inches across, of perfectly round shape and in an excellent mixture. Trade pkt. 50c.; \$2.25 per ¼oz.; oz. \$8.00.

AMERICA. A very select, extra-early, dwarf giant-flowering strain. The plants are short, stocky and of vigorous growth, exceptionally free flowering and in a fine mixture of popular shades.
